# HUE CONVENTION FOR LEVEL 20 STUDENTS

Dear 08HUE Students and Partners,

Following a very successful Level 20 Retreat back in March 2017 in Aruba, we began masterminding various unique opportunities to bring together all 08HUE students for a wonderful weekend of sharing, studying, experiencing UE and discussing together on spiritual topics. As a result, we would like to cordially invite all Level 20 graduates to the very first **HUE FACULTY® Convention for Level 20 Students** that will be organized on **December 1<sup>st</sup> thru 3<sup>rd</sup>, 2017** in Aruba.

The main objective of this 08HUE Convention is to bring all Level 20 students together where we will highlight the following:

- Panel of Center Directors, HUE Partners and Senior Instructors – Questions & Answers on Specific Spiritual Topics, such as:
  - The experience of the RiceBath technique after 7, 14 and 21 times;
  - The impact of Traveling into Space in your daily life;
  - The benefits of Merging;
  - The “Long Hoa Festival”.
- Introductory session of the newly developed HUE Quality Process.
- The Vision, Goals and Implementation of HUE School the next 10 years 2017 - 2027
- Interactive discussion of spiritual topics such as the Lesson 101 and the No Name, the Zero State, Self-Cultivation, New Lesson – Love Enlightenment Mankind, New Spirituality – The Truth about Human Life, New People – The “Unkown”, “Only Human with Capacity can help Human”, The Common Denominator, Opening Chakras – the Meaning and the Understanding.
- Quotation from the Master: What do we understand about this quotation?  
“Life helps us to enlighten our spiritual Path, so we can assist Life in the Perilous time.”

This L20 Convention aims to create longlasting bonds between L20 students from all over the world so together we can realize the strength of this one large group to help mankind. Also, with this first ever L20 Convention, we would like to put emphasis on our ability to collaborate on discussions so together, as a group, we can bring forth new understanding, new brilliant ideas out of the HUE Teaching that the Master taught us so we can help others.

I sincerely encourage all Center Directors, Partners and 08HUE students from all regions to make your best effort in attending this unique and first ever L20 Convention for our HUE School. Please do share all the detail information with all 08HUE practitioners in your regions as soon as possible so they can have enough time to prepare and attend the event. I look forward to seeing you at the Convention in Aruba.

Yours truly,

**Luong Minh Trung, BSSW, MSW**
