HUE FACULTY® 7th ANNUAL EVENT & MASTER'S 10th MEMORIAL ANNIVERSARY

Dear students, colleagues and partners,

We wish to cordially invite all HUE practitioners of all HUE levels to the **HUE FACULTY® 7th Annual Event** and the **Master's 10th Memorial Anniversary** that will be organized on **August 9 thru 12, 2017** in Saint Louis, Missouri - USA.

All of us as HUE practitioners had gone through ten long years (2007 – 2017) of practicing, preparing, training, applying, studying and experiencing ourselves with the HUE methods and techniques in many aspects of our lives. We've created endless opportunities for ourselves and we overcame most circumstances and conditions in our daily lives. Now it is the time we can share and pass on the experiences to reconnect the HUE practitioners from the past, present and the future. This way, we can reach the common denominator as HUE practitioners.

We have the tools and with the application of the Human and Universal Energy Method for over a decade, they lead us to where we are today and make us become what and who we are today. We have the conviction that we have the ability to convert or change unforeseen circumstances to favorable conditions as well as changing the reality, so we can radiate the light of joy, energy, and the frequency to help ourselves and to be the servers to all.

We present to you some of the event highlights:

- Keynote speakers – reflections on the 10 years of growth and development in their countries.
- Panel of Senior Directors, HUE Partners and Instructors – Questions & Answers on Specific Topics.
- Presentation on HUE & Technology: Social Media & Video Conference Platform.
- Introductory session on "Master's Philosophy 101", the new system to bring forth Master Dang's original teachings.
- Introductory session for the newly developed HUE Coaching Program.
- Commemorating the Master's 10th Memorial Anniversary.
- Dedication to Master: songs, poems, beautiful stories to share.

I sincerely encourage all directors, partners, students from all HUE levels and from all regions to make your best effort in attending this special event in marking the 10 years of the journey of our HUE School. This event is the turning point of our school so all of us can join our collective mission to begin the new journey on the new road in this new era. I enclose the general details and application form for your reference. Please share the detail information with all the HUE practitioners in your regions as soon as possible so they can have enough time to prepare to attend the event. I look forward to seeing you at the event.

Yours truly,

Luong Minh Trung, BSSW, MSW
President of HUE FACULTY®
